Guests present: Mikayla Oliver, Erik King City Manager, Susanna Julber

Update from Erik King: Conversation about transportation, history of our streets, annexed in properties, property tax rates and where they go, funding mechanisms for transportation, GO bond and how it works

TSP (Transportation system plan) update from Susanna Julber: Workgroup looking at needs to 2040 (hasn't been updated since 2001); key needs are safety improvements, East/West connectivity, parkway interchange- for all modes of travel; high capacity transit system improvements; Aune Rd. connection; improved pedestrian crossings at Hawthorne, Greenwood, and Franklin; Funding tools- bonds (can't fund maintenance), vehicle registration fees, transportation utility fees, urban renewal funding, seasonal fuel tax; subcommittee has two amounts they are going for- \$190M or \$275M; Council will decide at January 8th meeting.

Neighborhood Street Safety projects: Amity school issues and pedestrian activated light at Sisemore/Colorado are top priorities for our neighborhood. Need to make sure this is communicated with Brett- NLA is moving forward at January meeting.

Residential Parking Plans: City is proposing parking districts, Meeting December 12th 8am with Tobi Marx Parking Manager- Kathy, Hildur, Richard will be in attendance.

Setup Parkway Plan Forum-Discussed how to get the word out- newsletter to listserve, will send postcards (Chris will work Mikayla on getting a list from the City), Mikayla will put on NextDoor

Historic District code/workshops Ward would like to do some workshops on historic preservation (maybe set first one for May, Historic Preservation Month), also talked about reaching out to other districts statewide to work together which would also get funding.

Board bios: Need updated shorter bios from everyone. Group photo for website scheduled for next meeting

Board roster- check for edits, need addresses- send to Richard
