Board Attendees: John Fischer, Conor Carlsen, Mark Weers,, Karen Harding, Richard Ross,
Board Absent: Travis Abele, Kathy Nagal-Hood, Nunzie Gould, Chris Friess, Nick Murray

1. Traffic Team report; John and Richard

a. Meeting with Robin Lewis

Nick, Richard and John met with Robin Lewis (who is heading NSSP) regarding cut through at Sisemore and OBNA goals

- Robin discussed conceptual traffic calming at Sisemore, Lava?
- Perhaps a modal filter at Lava and Kansas.
- Perhaps a readjustment of the Harriman/Georgia intersection - potential pocket park?
- Broadway traffic issues appear to have been pushed to the back burner by City.
- Phase IV of Greenway project have stalled.
- Robin was interested in the Neighborhood Beautification Project OBNA has discussed in past.

b. NSSP interactive event; Sept 22 @ 5-7:30 at the Larkspur Park picnic shelter.
Robin Lewis and City staff presenting.

c. Development vs City for traffic mitigation through Old Bend is still not clear.

- Timber Yards development will need to do traffic mitigation.
- Hopeful that the master plan will encompass OBNA concerns but we are awaiting.

d. Recap

- Concerns: Broadway, Sisemore and Harriman are being used as collectors
 - Impression - Robin understands the issues and concerns of OBNA
 - Plan: continued advocacy and education
-

2. Development in/around Old Bend

a. Killian Pacific- commercial and apartments, 2 5-6 story buildings

- With this development comes the extension of Sisemore to Industrial Way

b. Ironhorse property; mixed use, 2-3 levels with condos on top of commercial.

3. Parking in Old Bend

- Need update from Parking district team
 - Anticipate that with 300 new tenants at the Killian Pacific development, the east side of Old Bend will want to be included in Parking District.
-

4. NLA/NART updates

- NLA is on pause per City Council decision - no new info

- NART - reconfiguring mission statement and membership as group feels disempowered.
 - Karen is withdrawing as NART rep
-

5. Annual Meeting

- Vote to go ahead with Thursday Oct 12 2023 from 5-7 at the Environmental Center.
 - Will work on Agenda via email
 - Conor to design postcard - will need to go out soon
 - Karen to contact printer
-

6. Recap/Plan

- a. Possibly meet with Barb Campbell - CC liaison to discuss OBNA concerns and attend annual Meeting. John to f/u
- b. Annual Meeting - need volunteers from Board. Work on agenda.
